Tips on Packing for Camp

Weather

Temperatures vary from foggy mornings to hot afternoons and cool evenings. An assortment of long and short sleeve shirts and tank tops will allow the camper to layer clothing. Please check that all apparel is appropriate for a children's summer camp.

Horseback Riding and Hiking Boot Requirements

To participate in horseback riding, campers are required to wear boots with good ankle support and a hard toe (steel toe NOT required). Adequate boot styles include hiking boots, cowboy boots, and work boots. These boot requirements are mandated by the American Camp Association for all horse riding program. Sneakers are NOT sufficient for riding.

To hike, campers must also have boots with ankle support that will lace securely. There is substantial risk of ankle or knee injuries if inappropriate footwear is worn. Campers will not be allowed to hike with inappropriate footwear. Flip Flops or Teva-style sandals are a great option for campers to use to and from the shower, but are only allowed during shower time.

Laundry

Laundry costs are included in the tuition for 2 week and 4 week campers. 1 week campers will NOT have laundry done.

Laundry is sent in bags to a local laundromat part way through every 2-week session. We recommend marking your camper's name onto clothing using printed labels or laundry marking pens. Laundry bag is washed with the in laundry to keep camper clothing load together and organized, so bags must be washable clearly labelled with your camper's first and last name in permanent ink on the outside of the belly of the laundry bag. Special care cannot be taken with hand-washable or shrinkable items, please do not send them. The laundromat and Farm Camp will not be responsible for items left in laundry that can damage clothing (e.g. pens, Chap Stick, etc.) Farm Camp is a good place to wear out old clothes!

Medication

All medications and vitamins brought to camp must be listed on the Health History form. Please send them in their original container, sealed in a ziploc bag with your camper's full name. These will be given to nurses upon arrival and securely stored in camp wellness center.

Tips on Packing for Camp

Footlockers and Luggage

1-week sessions: We recommend a duffle bag or small, hard-sided suitcase for luggage.

2-week & 4-week sessions: We recommend a footlocker, hard-sided suitcase or plastic bin for luggage. These are the best method for sending your child's clothes to camp and for storing belongings while at camp. We can have extensive fog which can make clothing stored in traditional, soft-sided suitcases damp and dewy. If you are looking for a sturdy footlocker, try please reference our 'Preparing for Camp' page on the website. Stores like Target also have inexpensive trunks or storage containers that will keep clothes dry. If your footlocker has a key, please send extra key with camper for Camp Office, labeled with camper's name.

Shipping Trunks and Luggage to Camp

Campers flying to camp should send their footlockers and luggage via UPS or FEDEX at least 10 days (or more) ahead of camp to ensure proper delivery time. We cannot accommodate footlockers or any checked luggage at the airport. Please contact your local UPS or FEDEX office to check all the details for shipping and insuring. Address the trunk to Your Camper c/o Farm Camp, 34285 Kruse Ranch Rd, Cazadero CA 95421. Please note: there

are size, weight and packaging specifics, including insurance restrictions.

When shipped trunks arrive at camp, we will store them inside our barn until the start of your camper's session. On the morning of your camper's session, we will deliver their trunks to their assigned units, so that they are ready for your camper as soon as they arrive onsite

On the last day of camp, we will re-weigh each trunk and send the trunks to you via UPS, billed to your credit card on file after they ship. Please reach out to our office at info@farmcampca.com for additional details on shipping procedures.

What Not To Bring

- Farm Camp maintains a strict NO personal electronic policy (cell phones, iPads, iPods, hand-held gaming devices, etc).
- Candy, chewing gum, sandals, fireworks, knives (including pocket knives), guns, ammunition, cigarettes, alcohol, or illegal drugs. Any of these items brought to camp will be taken by a Director and might result in your camper being sent home from camp.
- Farm Camp will not be responsible for any items lost or damaged while at camp. Please do not pack any valuable items for camp.
